DENTAL INSURANCE INFORMATION

Payment for all services is required at the end of each appointment. Please be aware of any limitations to your plan since responsibility for your account belongs to you. We will gladly assist you in better understanding your insurance plan, however, you may still need to contact your insurer directly. We will also prepare and if possible submit insurance forms electronically. Please visit our website for more information about your dental insurance.

Your company will provide you with a Dental Benefit card. If you provide us with this card we will ensure that all data is properly transcribed to allow for electronic submission in most cases.

If you are also covered on your spouses plan, a copy of that benefit card will also be necessary.

AUTHORIZATION AND RELEASE

I authorize the dentist to release any information including the diagnosis and the records of any treatment or examination rendered to me or my child during the period of such dental care to third party payers and/or health care practitioners. I understand that my dental insurance carrier may pay less than the actual bill for services.

I authorize release to my dental benefits plan administrator, information contained in claims submitted electronically.

CANCELLATION POLICY

When patients give advance notice of their need to cancel a scheduled appointment, this time can be allocated to those patients in need of urgent dental treatment. If less than TWO BUSINESS days notice is given, a missed appointment fee will be assessed. Exceptions will be made for illness or personal tragedy. Each case will be evaluated individually. Please be aware that insurance companies do not cover missed appointment fees.
